Betreff: Reference letter for Mr. Alexandar Borislavov Yotzov as our businesspartner

In the year 1994 we started a business relationship with Mr. Alexandar Borislavov Yotzov, owner and Managing Director of 7F-Engineering.

The cooperation with Mr. Yotzov has always been good and correct. He always furnished us with skilled informations for required technical and commercial details. The settlement of the orders has always been without problems, the payments has been made punctually and to the conditions agreed upon.

We conclude due to the positiv experience with Mr.Yotzov, that his after sales service in Bulgaria is of special technical knowledge and that his customers have a high confidence in his work.

We wish him the very best for his further business activities.

Best regards

batra GmbH
